1	I am getting used to 11e and starting to like it more. Thank you.	7/31/2023 10:12 AM
2	would also like more information about how to use flowsheets how to use patient education more efficiently based on condition order sets	7/28/2023 2:21 PM
3	I have not used this version of ecw AT ALL except when I do Healow just so I can see the patient on the screen. I will not be at the August 18th meeting since I'm on vacation. Is there another day when I can get proper training? Thanks in advance from Dr. Munoz	7/26/2023 5:49 PM
